

NWF Fuels Ltd acquires customer base of Carmarthen & Pumsaint Farmers

On 12 December 2005, NWF Fuels Ltd took over for a nominal fee the fuel distribution business of Carmarthen & Pumsaint Farmers Ltd in South West Wales. This business operates as CP Fuels and will be integrated with the existing NWF Fuels company at Ammanford, G Thomas & Son Ltd, while still retaining its own identity. The customer base consists largely of domestic heating users.

Kevin Kennerley, Managing Director of NWF Fuels Ltd, said "I am delighted that we will be able to offer existing and new CP Fuels customers an excellent service with the efficiencies which will arise from associating them with ourselves who have a similar heritage."
